Welcome to the 2024 Summer League

Dear Captain ,

Please find attached all the documentation required for this Summer season. You will find in the package the new ***Div Fixture list v1.1*** , a list of ***Pub and Club*** addresses, blank ***Game Sheets*** for your home matches and two copies of the ***Player Registration Form*** . Please complete both the forms retaining one for your records and returning the other to me by latest ***Wk3 Game 3 – 17th June 2024*** . For new Teams to the Summer League the format of play starts with six Singles of 501 (best of three legs) and then three Pairs of 601 (best of three legs). The players' names and running order should be selected by way of a blind draw by the Team Captain or nominated player. The draw for the Singles should take place prior to the start. A blind draw for the Pairs should take place after the Singles games have been completed. Please use the provided Game Sheet to show the draw and results. Its is recommended that the opposing Team has a "checker" to review the scores. You can enter the number of **120+** throws; For **Highest Start** indicate with "S" if the 120+ is the players first throw of the leg; a **Highest Finish** over 100; and any **180's**. You are advised that the Winning Team should email the completed Game Sheet to arrive at the following address as soon as possible after the match using a scanned .pdf or readable picture, or by hand or post no later than Saturday am following the match: -

Following on from the COVID-19 Pandemic, we have revised certain Rules.: -
Captain's must take responsibility that any player showing symptoms or returning a recent positive LFT does not attend the Match. The Captain's must also make sure that the Team abides by the rules of the Pub or Club. The use of masks is recommended, as is social distancing at the descresion of the individual. Food should be offered by the Pub or Club as for any normal season.

This Season we have **21** Registered Teams, therefore All Divisions will consist of 7 Teams. The number of weeks available this season is critical. We have therefore adopted a non cancellation policy. You can only cancel a match if the opposing Team can / is willing to play on another day of the week following the expected game. Please consult the Result Secretary prior to approve the cancellation. You should look to play a match with a minimum of 4 players forfeiting any untaken games to your opponents. Any non-played cancelled matches will be forfeit resulting average points to your opponents. The League will look disapprovingly at any tactical cancellations and act according deduction points where necessary. Please refer to Rules 8 & 9. The Rules will be invoked.

Attention: - UEFA EURO 2024 will take place in Germany from the 14th June to 14th July. As discussed on the Summer League Registration night it is expected that there should be little or no impact on our games. If a pub or club insists in cancelling a match please consider a reverse location or playing on another night of the week.
