For new Teams to the Summer League the format of play starts with six Singles of 501 (best of three legs) and then three Pairs of 601 (best of three legs). The players' names and running order should be selected by way of a blind draw by the Team Captain or nominated player. The draw for the Singles should take place prior to the start. A blind draw for the Pairs should take place after the Singles games have been completed. Please use the provided Game Sheet to show the draw and results. Its is recommended that the opposing Team has a "checker" to review the scores. You can enter the number of **120+** throws; For **Highest Start** indicate with "S" if the 120+ is the players first throw of the leg; a **Highest Finish** over 100; and any **180's**. Captain's must take responsibility that any player showing symptoms or returning a recent positive LFT does not attend the Match. The Captain's must also make sure that the Team abides by the rules of the Pub or Club. The use of masks is recommended, as is social distancing at the descresion of the individual. Do **NOT** expect Food to be supplied but It can be offered by the Pubs or Clubs

This Season we have **38** Registered Teams, therefore Divisions 1, 2 & 3 will consist of 8 Teams. Division 4 & 5 will consist of 7 Teams.The number of weeks available this season is critical. We have therefore adopted a Nil Cancellation policy. You can only cancel a match if the opposing Team can / is willing to play on another day of the week following the expected game. Please consult the Result Secretary prior to approve the cancellation. You should look to play a match with a minimum of 4 players forfeiting any untaken games to your opponents. Any non-played cancelled matches will be forfeit resulting average points to your opponents. The League will look disapprovingly at any tactical cancellations and act according deduction points where necessary. Please refer to Rules 8 & 9. The Rules will be invoked.

Attention: - FIFA World Cup 2026 will take place in North America from the 11th June to 19th July 2026. As discussed on the Summer League Registration night it is expected that there should be little or no impact on our games. If a pub or club insists in cancelling a match please consider a reverse location or playing on another night of the week. There is a Nil Cancellation policy in place.
