# BLACKWATER & DISTRICT WINTER DARTS LEAGUE

## IMPORTANT NOTICE

### Meeting and Competitions Venue move.

Dear **Captain**

After over a decade of supporting the Camberley Working Men's Club by holding our meetings and annual competitions it is felt that due to irreconcilable differences we have no option but to move venues.

The Blackwater & District Darts League Committee express our thanks to the Alex Miller, Ian Reid and the various Committees of the Camberley Working Men's Club for their support during our events.

Our very special thanks must go to Ian Reid for his never ending support in making sure that the venue was ready and fit for the purpose to hold our varied darts competitions. Thank you

After consultation with various venues and a straw poll of the BDDL Committee and a selection of Team Captains it has been decided that this season we will be holding the two Captain's Meetings, various Competitions and Presentation Night at the West Farnborough Social Club Ltd. 25 St. Christopher's Road Farnborough Hants GU14 0AH.

We would like to thank the Hawley Bridge Memorial Club, the Sovereign Snooker Club, and the Frimley Green Working Men's Club for their consideration and on-going support.

We hope that you and your Team will support this move as it has not been taken lightly

We would be happy to take any questions regarding this change.
Please email mailto: rory@bddl.co.uk

Regards

Andy Barker (Rory)
